Turtle starts swimming again with prosthetic flipper thanks to an ABC Certified Prosthetist <https://nyp.st/2Q8vaYk>

NYPOST.COM 

A screenshot of a social media post from the American Board for Certification of Orthotics, Prosthetics and Pedorthics. The post features a photograph of a turtle swimming in dark water, wearing a white prosthetic flipper on its right front limb. The text of the post describes the turtle's recovery and provides a link to the original article. The post is attributed to Hootsuite and dated November 24, 2018. The source is identified as NYPOST.COM.

The image shows a YouTube video player interface. The video content depicts a hallway with several people walking. In the foreground, a woman in a red top and white cardigan is walking towards the right. Behind her, a man in a dark suit is also walking. To the right, a large white sign with a red border is visible, featuring a circular logo and the text "Candidate Orientation". The video player includes a progress bar at the bottom showing 0:39 / 5:11, and standard YouTube controls like play, volume, and full screen. The video title "Orthotic CPM Exam Video" is displayed below the player.
